

2. Books on The Romans : suitable for Keystage 2-3

I have not read all these books from cover to cover but the list should give some idea of what is available from which publishers. There are also many excellent books relating to specific sites around Britain which give general background information.

Author	Title & Publisher	ISBN
Jennifer Ruby	People in Costume – The Romans Batsford (1995)	0713476214
