

# PRIMARY LATIN PROJECT FUND

## GRANTS FOR SCHOOLS MINIMUS FORM

The Primary Latin Project fund has been initiated to make grants to schools, to assist the setting up of Primary Latin and to help with the purchase of the Primary Latin Course *Minimus*. The Fund does not make grants to schools for the total amount, as it is expected that applicant schools can provide some partnership funding of their own. Grants are given only for the purchase of pupils' and teachers' books and the CD's.
